

Rotary Club of Canvey Island

BIG CHRISTMAS TOY COLLECTION 2023

DONATIONS OF TOYS FOR BOYS AND GIRLS OF ALL AGES
WILL HELP TO MAKE THIS CHRISTMAS BRIGHT FOR FAMILIES
WHO NEED A LITTLE EXTRA SUPPORT.

All children deserve a present to unwrap on Christmas morning and the Rotary Club of Canvey Island, with your help, will be able to make Christmas special for local families who are finding things a little difficult at the moment.

We are happy to accept any new, unwrapped toys for boys and girls of all ages. These can include reading books, crayons and colouring pencils, colouring books, puzzles, Lego etc - all are acceptable. We are only able to accept new toys and gifts but any toy will brighten Christmas morning for many children.

New Clothing is also acceptable for any age boy or girl.

A roll (or two) of wrapping paper, tape, or spare, unused Christmas cards these would be gratefully received too.

If you can help, your items can be dropped off at the school during the hours of opening or Nationwide, Furtherwick Road as they are supporting us again this year. Please mention Rotary.

Please only spend what you can afford, we understand this difficult financial time for everyone but be assured

Your gifts will make a difference this Christmas

and we thank you in advance.
