9th January 2024

Dear Parents

We are delighted to share the latest OFSTED report from our inspection in November. The grades are broken into four areas, with Quality of Education being the overall grade. Therefore, as you can see from the table below, we were graded as overall Good.

Quality of education	Good
Leadership and management	Outstanding
Behaviour and attitudes	Outstanding
Personal development	Outstanding

Due to a dip in our Reading results in 2023, and lack of understanding in a few of the words the children read to them, the inspectors could not award an overall grade of Outstanding. However, I urge you to read the report because as a school, we were incredibly proud of what the inspectors observed during their visit. I have lifted some of the quotes from the report which really highlight the good work that takes place here every single day.

‘Canvey Junior School is a place where pupils flourish’

‘The school have shown relentless determination to create a school where pupils thrive’

‘They have designed a highly ambitious and exciting curriculum’

‘Pupils positive behaviour around the school is exceptional’

‘Throughout the school, behaviour is exemplary’

‘The personal development of pupils is exceptional’

‘Leaders, including Governors, know the school’s strengths and areas for development exceptionally well’

‘Staff have pupil’s best interest at heart and care deeply for them. This had led to mutually supportive relationships with families.’

I hope you agree that is a really positive report and would like to thank you all for your continued support.

Yours sincerely

S. Townsley
