4<sup>th</sup> September 2024

Dear Parents

I hope you all had a lovely summer break, the sun definitely made an appearance which always helps. It was lovely welcoming all the children yesterday morning and I was very impressed with how the new Year 3 children settled into their classes. They certainly took it all in their stride.

This week we are celebrating friendship week here in school. This is a great opportunity for your children to delve into what friendship is and to also look at what constitutes bullying and what to do if your child thinks someone is being bullied. As always, we have the weekly big question which offers the opportunity for the children to reflect at the end of the day. This week, the question is:

### **What are the important friendship qualities?**

We look forward to hearing your children's thoughts and ideas throughout the week and in our Monday reflection assembly.

If you ever have any worries or concerns, we are always on the main gate or please come into school and someone will be available to help.

Yours sincerely,

*S. Townsley*

Mrs S Townsley
