17th July 2026

Dear Parents/Carers,

As you will know, as of September, Canvey Junior School will be expanding to become a primary school with the infants. I would like to take this opportunity to thank every parent, carer and family, past and present, for all of the continued support and sustained partnerships which have been built throughout the history of Canvey Junior School.

Throughout the years, the thousands of incredible children who have passed through the school gates on a daily basis, each with their own amazing personalities and views on the world, is what has made Canvey Junior School the loving, safe and welcoming place which it will be remembered for. The incredible achievements and positive memories of the Juniors will forever remain a huge part in many people's lives and the success of the school has been instrumentally down to our whole school community and the caring culture which is shared amongst us all. A special mention to Mrs Jacobs who started her teaching career the first year Canvey County changed to Canvey Juniors and will now see it change to the primary. Dedication like this needs commending. From all of the team at Canvey Junior School, we would like to thank everyone for the legacy left behind which they have helped shape.

When we return from the holiday's in September, the new primary school will rely heavily on continuing to build on the already established partnerships and forging new relationships with our larger, wider school community. With both the Infants and Juniors continuing to remain strong together, will prove to ensure the new primary to be even more successful.

The future is extremely exciting, and as the Junior School evolves to become a primary, we look forward to working with you all to ensure we make a long-lasting impact on our young children's lives.

We hope you are all as excited as we are for what the new academic year brings and the lifelong legacies we will collaboratively continue to create.

Thank you all once again for all your support.

Kind regards

S. Townsley
